https://www.bourncreative.com/meaning-of-the-color-turquoise/
tie=aqua follow the water < aQua is spanish for water
The color turquoise has healing properties that affects the mind and the body. Turquoise is believed to help neutralize over acidity, increase growth and muscular strength, **and alleviate gout, stomach problems, viral infections, rheumatism**. Turquoise also is believed to be an anti-inflammatory that also helps to enhance communication skills, and calm the mind and body.
acidity = ph i n gout nothing to see here no parasites!!!!!
